1. [REDACTED]
SSA/DDS 2127 I

As you requested, we have reviewed the attached dispatch No. ADM 59-110, prepared by COMMO for transmission to their overseas stations, and the proposed Book Dispatch to Chiefs of Station and Base ~~under jurisdiction of the DDP~~. With regard to the latter, it seems to us that the final draft should be coordinated with Chief, OPSER in view of the additional burden which will undoubtedly be placed on some of the overseas stations and bases.

6.

We have made no attempt to fully evaluate the ADM 59-110 as many of the provisions relate to internal COMMO procedures and problems. Insofar as reference to and explanation of Agency travel and leave regulations are concerned, we find the references correct and the explanations well stated.

7.

With regard to the proposed Book Dispatch we have the following questions and comments:

8.

a. Would it be necessary to send this dispatch to all stations and bases?

9.

yes
